

Dear Campolindo Community:

Congratulations to the Class of 2017 and to everyone who supported our seniors. The Campolindo staff is proud of our seniors and we are looking forward to their future accomplishments. The entire Campolindo community is welcome to attend Graduation: Friday, June 9th at 5:30pm, Bob Wilson Stadium.

The success of Campolindo's programs is due in large part to the generous contributions that parents and community members make to the [Campolindo Parents Club](#) and the [Moraga Education Foundation](#). On behalf of the entire staff, thank you again for your generosity.

Next year, Campolindo will launch a new school day schedule. Details about the new schedule are available on the [school's website](#).

The Campolindo staff will experience some key changes next year and I want to make you aware of two changes prior to summer. After seventeen years as a Campolindo counselor, Jake Donohoe is transitioning to the Campolindo English Department this fall. I am pleased to announce that Patrick Turner will be joining the Counseling Department to work with students and families with last names A-E. Associate Principal Karen Findlay has been named as the new Coordinator for Educational Services in the Acalanes Union High School District and will begin her new position after graduation. Campolindo's new Associate Principal will be Angela Pimentel, an outstanding educator from California High School in San Ramon.

Thank you again for your support of Campolindo and I look forward to partnering with you during the 2017-2018 school year. Enjoy your summer.

Sincerely,

John Walker  
Principal
