SCHOOL CHARACTERISTICS

Miramonte High School was founded in 1955 by the Acalanes Union High School District (AUHSD) as a comprehensive public high school serving grades 9-12. With an enrollment of 1185 students, Miramonte offers a wide variety of academic and elective courses to encourage students to explore diverse avenues of learning. In addition to a strong college preparatory curriculum, we offer a broad spectrum of Advanced Placement and Honors classes to challenge students and prepare them for college. The school year consists of two 18-week semesters. We operate on a modified block schedule. Our student body reflects the bay area's rich ethnic and cultural diversity with an ethnic makeup of: 1% African American, .01% American Indian or Alaskan, 20% Asian, 56% White, 9% Hispanic or Latino, .17% Filipino, 10% multi-racial, and 1% not reported or unknown.

COMMUNITY CHARACTERISTICS

Located 20 miles east of San Francisco, Orinda is a family-oriented suburban community of 17,600 on the east side of the Oakland/Berkeley hills. Demonstrating a strong commitment to education, the community and parents continue to give significant financial support to the academic and extracurricular programs at Miramonte. Three parent organizations work together to enhance the high school experience for all students by conducting fundraising activities and recruiting volunteers to support student programs and activities that otherwise would not be available. ONE Orinda, our community fundraising organization, also makes a substantial yearly contribution to many school wide programs.

ACCREDITATION, AWARDS AND RECOGNITION

In 2023 we were awarded a 6 year clear accreditation through the Western Association of Schools and Colleges (WASC). Miramonte ranks in the top 5% of comprehensive public high schools in California and has been recognized as a California Distinguished School. Our four major areas of focus are: Excellent Teaching, Student Support, Equity, and Safe and Healthy School Climate. Routinely acknowledged by U.S. News and World Report in their ranking of the Best High Schools in the country, our school also appears on the Gold Medal List of Best California High Schools.

FACULTY AND STAFF

The Miramonte teaching staff is comprised of 60 full-time and 7 part-time fully qualified teachers, 3.4 counselors, 3 administrators, a librarian, school psychologist, 2 wellness staff members, a College and Career Center Advisor, 11 instructional assistants, 22 classified support staff, and a part time nurse. The counseling caseload is approximately 350:1. Master's Degrees are held by 43 faculty and staff, and 3 faculty members have a Doctorate.

ATHLETICS

Miramonte is a member of the Diablo Athletic League (DAL) under the North Coast Section of the California Interscholastic Federation. The school offers over 20 competitive sports for both boys and girls. Our teams regularly compete in NCS finals, often bringing home league championships. Our Cheerleading and team is now recognized as a CIF sport.

GRADING AND TRANSCRIPT NOTATIONS

Grading scale: 90-100 = A, 80-89 = B, 70-79 = C, 60-69 = D. D- is a passing grade. Letter grades are assigned a numerical value for GPA calculation: A = 4, B = 3, C = 2 and D = 1. The cumulative Total GPA is the average of all courses taken since the beginning of 9th grade. Final transcripts include both weighted and unweighted GPAs.

WISE is a class that allows seniors to design their own course of study emphasizing real world, out-of-the-class experiences.

STUDENT PROGRAMS

Miramonte offers a wide variety of award-winning extra and co-curricular programs including: Public Speaking, Instrumental and Vocal Music, Theatre Productions, Mock Trial and Model UN. Students have the opportunity to develop their leadership skills in Student Government, Link Crew and campus clubs. Our Latin Club is our largest and most active club often hosting the Annual Latin Convention. Students are recognized for their high academic achievement through the California Scholastic Federation (CSF) and for participation in six or more Visual or Performing Arts courses with the Arts Distinction Award. A high percentage of our students are involved in community service and receive the Presidential Award at the end of the year. The Acalanes Gifted and Talented Education (AGATE) program is a unique experience offered to a select group of students who conduct interdisciplinary research, attend a three day hands-on exploration, and present a culminating project in a creative, non-traditional format. Vocational (ROP) classes give students hands-on job training in sports medicine, engineering design and environmental science.
