SCHOOL & COMMUNITY CHARACTERISTICS

Acalanes High School is located in Lafayette, California, a suburban community east of the Berkeley hills and approximately 25 miles from San Francisco. The Lafayette community values high-quality education and has a long history of strong community support offering financial resources through the Parents Club, Education Foundation and Booster Groups to enrich our school's academic and co-curricular programs.

Acalanes High School is one of four comprehensive high schools in the Acalanes Union High School District (AUHSD), which is known for its strong tradition of academic excellence and outstanding student performance. Acalanes enrolls a diverse student body consisting of a 1350 student population in grades 9 through 12. Our students are motivated and well prepared with 95% of seniors attending post-secondary institutions after graduation. Acalanes ranks in the top tier of all California high schools, is fully accredited by the Western Association of Schools and Colleges (WASC) and recognized as a California Distinguished School.

ACADEMIC CURRICULUM

Acalanes High School offers a strong college preparatory program, supported by expansive elective offerings. The school year consists of two 18-week semesters. Students can take up to 7 classes with the majority of upperclassmen enrolled in 6 periods per school day. Five units are awarded for each semester class. Classes meet for 230 minutes per week in a block schedule. In addition, Acalanes offers four ROP (Regional Occupation Program) courses. Many of these classes fulfill University of California a-g requirements.
