Personalized folders with information about Las Lomas and freshman course registration will be distributed at Las Lomas on February 4th (8am-5pm) and February 5th (8am-3:30pm).

Counselors will be visiting virtual English classes at Tice Creek on February 8th and Walnut Creek Intermediate on February 8th and 9th. Registration and course selection information will be provided.

Students will have one week to review the information and submit their 2021-2022 course requests. Requests must be submitted online by February 16th.

Students and guardians are encouraged to attend Las Lomas' Virtual Open House on February 11th.

A registration appointment is offered to each incoming freshman and guardian.
