Guidelines for Selecting a Course

Please review the information in the Course Catalog and the course descriptions prior to signing up for a particular course. Additionally, you are encouraged to consider the following course selection guidelines when planning an overall schedule.

- 1. Graduation Requirements. Carefully check the AUHSD graduation requirements.
- 2. College Entrance Requirements. Look for courses required by many colleges and universities.
- 3. Your interests. Look for courses which might have relevance or interest to you.
- 4. **Overall course schedule.** Examine the overall rigor of selected classes.
- 5. **Parent approval.** Talk to your parents about your course choices.
- 6. **Teacher recommendation.** Talk to your teachers to determine appropriate course selection.

Instructions for Course Registration

- 1. Print your name in the space provided above. This form is a worksheet to select courses **BEFORE** you enter them into **PASS Portal.**
- 2. You must sign up for at least five (5) courses; however, you may request up to seven (7). Review the courses available for your grade level on the back.
- 3. List your requested courses in the spaces provided on the back of this form. In addition, you **MUST** list an alternate course in case your first choice is not available. Required courses will already be listed.
- 4. Several semester long courses are available to grade 12 students. If signing up for semester courses, please make sure to select 2 courses to make up a year or select "Off Campus" if only wanting to take 1 semester. "Off Campus" option is only available to students scheduled in 5 or more yearlong courses and on track for graduation. Semester course enrollment priority is given to grade 10 students.

Online Registration

- 1. Click on: "PASS Portal" link found under the school's quick links website menu.
- 2. Use your "auhsdschools.org" email and password.
- 3. Once logged in, select "Classes" then "Course Request Entry".
- 4. From "Filter Courses" select a Subject Area and your desired course.
- 5. Confirm selection when prompted. You may cancel your selection at this time.
- 6. The course will be added to the left column and an "Add Alternate" option will now be available.
- 7. To make an alternate course selection, select "Add Alternate" and select the appropriate Subject Area. Not selecting an alternate course may delay your course selection process as you will be asked to do so at a later time.
- 8. Change the subject area to make additional course selections to complete your requested schedule.
