CEEB Code: 052282

SCHOOL CHARACTERISTICS

Miramonte High School was founded in 1955 by the Acalanes Union High School District as a comprehensive public high school serving grades 9-12. With an enrollment of 1287 students, Miramonte offers a wide variety of academic and elective courses to encourage students to explore diverse avenues of learning. In addition to a strong college preparatory curriculum, we offer a broad spectrum of Advanced Placement and Honors classes to challenge students and prepare them for college. The school year consists of two 18-week semesters. Last year we moved to a modified block schedule. Our student body reflects the bay area's rich ethnic and cultural diversity with an ethnic makeup of: 3% African American, 1.2% American Indian or Alaskan, 22.4% Asian, 63% Caucasian, 8.4% Hispanic or Latino, .8% Pacific Islander, and 1.2% not reported.

COMMUNITY CHARACTERISTICS

Located 20 miles east of San Francisco, Orinda is a family-oriented suburban community of 17,600 on the east side of the Oakland/Berkeley hills. Demonstrating a strong commitment to education, the community and parents continue to give significant financial support to the academic and extracurricular programs at Miramonte. Three parent organizations work together to enhance the high school experience for all students by conducting fundraising activities and recruiting volunteers to support student programs and activities that otherwise would not be available. The Educational Foundation of Orinda also makes a substantial yearly contribution to many school wide programs. The Rotary Club of Orinda sponsors a yearly Career Night for students to explore career options.

ACCREDITATION, AWARDS AND RECOGNITION

Recently awarded a 6 year clear accreditation through the Western Association of Schools and Colleges (WASC), Miramonte ranks in the top 5% of comprehensive public high schools in California and has been recognized as a California Distinguished School. Our three major areas of focus are: Excellent Teaching, Student Support, and Safe and Healthy School Climate. In line with our emphasis on technology integration, every freshman is provided with a device to use in class, and 10th, 11th, and 12th graders either bring their own device or are loaned one for use at school. We strive to reduce student stress by participating in Stanford's Challenge Success Program. Routinely acknowledged by US News and World Report in their ranking of the Best High Schools in the country, our school also appears on the Gold Medal List of Best California High Schools.

FACULTY AND STAFF

The Miramonte teaching staff is comprised of 53 full-time and 12 part-time fully qualified teachers, 4 counselors, 3 administrators, a librarian, school psychologist, 2 wellness staff members, 8 instructional assistants, 9 classified support staff, a part time nurse, and a College and Career Center Advisor. The counseling caseload is approximately 340:1. Master's Degrees are held by 37 faculty and staff, and 1 faculty member has a Doctorate.

ATHLETICS

Miramonte is a member of the Diablo Athletic League (DAL) under the North Coast Section of the California Interscholastic Federation. The school offers over 20 competitive sports for both boys and girls.

Our teams regularly compete in NCS finals, often bringing home league championships. Our award winning Cheerleading team is now recognized as a CIF sport.

STUDENT PROGRAMS

Miramonte offers a wide variety of award-winning extra and co-curricular programs including: Public Speaking, Instrumental and Vocal Music, Theatre Productions, Mock Trial and Model UN. Students have the opportunity to develop their leadership skills in Student Government, Link Crew and campus clubs. Our Latin Club is our largest and most active club often hosting the Annual Latin Convention. Students are recognized for their high academic achievement through the California Scholastic Federation (CSF) and for participation in six or more Visual or Performing Arts courses with the Arts Distinction Award. A high percentage of our students are involved in community service and receive the Presidential Award at the end of the year. The *Acalanes Gifted and Talented Education* (AGATE) program is a unique experience offered to a select group of students who conduct interdisciplinary research and attend a three day hands-on exploration, and present a culminating project in creative, non-traditional formats. Vocational (ROP) classes give students hands-on job training in sports medicine, engineering design and environmental science.

GRADUATION REQUIREMENTS

240 credits are required to graduate. 5 credits granted per semester in all courses that are passed. Course Requirements include:

English	4 years
World History	1 year
US History	1 year
Government/Economics	1 year
Mathematics (1 yr. Alg. & 1 yr. beyond)	2 years
Biological Science	1 year
Physical Science	1 year
Physical Education/Health	2 years
1 year in 2 subjects: World Lang, VPA, Tech Ed	2 years
Elective	90 credits

Seniors may take **WISE** (Wise Individualized Senior Experience), a class that allows them to design their own course of study emphasizing real world, out-of-the-class experiences which prepare them to excel and contribute in the global community.

GRADING AND TRANSCRIPT NOTATIONS

Grading scale: 90-100 = A, 80-89 = B, 70-79 = C, 60-69 = D. D- is a passing grade. Letter grades are assigned a numerical value for GPA calculation: A = 4, B = 3, C = 2 and D = 1. The cumulative GPA is the average of all courses taken since the beginning of 9th grade. Final transcripts include both weighted and unweighted GPAs.

- (P)** College Prep courses
- (H)** Honors courses
- (AP)** Advanced Placement courses
- (n)** Non college prep
- (m)** Indicates a modified course (These courses do not fulfill the UC "a-g" subject requirement)

Miramonte does not report class rank by order of the school board and due to the concern with the inequities which occur when reporting specific rank in a high achieving student body.

HONORS AND ADVANCED PLACEMENT

- 9 Honors and 19 Advancement Placement courses.
- 219 seniors took at least 1 AP class last year
- No limit to the number of AP/ Honors classes a student may take
- 'Open Enrollment' policy allows any student to take an Honors or AP Class if they meet the pre-requisites.

Alg. 2 Adv/Pre-Calc Honors	AP Computer Science A
Honors English 3	AP Comp. Sci. Principles
Honors French 4	AP English Literature
Honors Pre-Calculus	AP Environmental Science
Honors Mandarin 4	AP European History
Honors Law 2	AP French 5
Honors Spanish 4	AP Latin 4
Honors Latin 3	AP Chinese Culture/Lang.
Advanced Art Honors	AP Music Theory
AP Biology	AP Physics C
AP Calculus AB	AP Spanish 5
AP Calculus BC	AP Statistics
AP Chemistry	AP Studio Art
AP Comparative Government	AP US History

SENIOR CLASS PROFILE

320 students
 Median unweighted total GPA = 3.55
 Highest unweighted total GPA = 4.00 (26 students)
 Highest weighted total GPA = 4.48 (1 student)
