*CSU: Send SAT scores to code 3594 and all CSU's will receive scores

Making a College List and Checking it Twice

How many colleges should students apply to?
No more than 9!

| Likely	Target	Reach

UC: Not safeties and count as 1 application

How is this determined? Where the students academic credentials (GPA & Test Scores) fall among admitted students to that university.

Other things to consider: Major, schools admission process, applying early

# Likely School: University of Oregon
