

2021-22 Campolindo & President's Volunteer Service Awards PROGRAM INSTRUCTIONS AND QUALIFICATIONS

Service Awards Categories (students may apply for one category or the other):

*** President's Volunteer Service Award**

This award is a highly coveted, nationwide award that recognizes the contributions of volunteers who have demonstrated outstanding volunteer service and civic participation over the course of a 12-month period.

*** Campolindo Volunteer Service Award**

Similar to the President's Award, this award recognizes students with significant volunteer service hours that, while outstanding, are less than the award requirements of the national award levels (stated below).

Age Category Award Levels

Award levels are earned by service hour totals based on the student's age during the 12-month period reported. Students with service hours both before and after turning 16 may consider reporting only the hours served up to their 16th birthday in order to qualify for the Teen (under 16) category.

Fundraising. Due to the challenges of in-person volunteering during Covid, we will accept volunteer hours associated with fundraising for 501(c)(3) organizations for the 2021 service awards program year. Direct fundraising activities, e.g., creating a campaign, letter writing, phone call campaigns, would qualify. Meetings, unless for training purposes, would not qualify. Required fundraising for your own club or organization does not qualify.

Performing Arts (Drama/Choir/Band). Most performance time is considered extra-curricular and does not count. Performing at a community event or fundraiser for free (e.g., Lafayette Fun Run) counts if there is no payment. Performing at church or a school musical is considered extra-curricular and does not count.

Camps and Mission Trips. Students volunteering at an overnight camp and/or on mission trips may only include hours in which they are actively working with students. Meals, sleeping, commute and non-active volunteer time does not count. There is an 8-hour maximum per day.

Religious Organizations. Activities benefiting those outside the religious organization are eligible (e.g., food banks, Winter Nights shelter) while activities benefitting the religious organization are considered extra-curricular (e.g., choir, youth group, altar boy/girl) do not. Any hours involving religious instruction or conducting worship service do not qualify.

Service Dogs and Fostering. Only hours spent actively training your service dog count. Some local organizations (ARF, Berkeley Humane Society) will approve up to 3 hours per day for animal fostering.

Political Campaign Activities and Voter Registration. Political lobbying or campaign work does not qualify. Non-partisan voter registration and hours worked at polling/voting centers are eligible.

Supervisor Approval. Service hours must be approved by the organization for which the student volunteers. Parents may not approve their own child's service hours.
