

CURRICULAR AREA - WORLD LANGUAGES

COURSES - MANDARIN 1, 2, 3, 4 (HONORS) and 5 (AP)

FINAL MARK RUBRIC

MARK	PERCENTAGE RANGE	DESCRIPTION
A	90-100%	Demonstrates mastery knowledge and ability to apply course standards and benchmarks. Students are assessed in their reading, writing, listening, and speaking skills. Student performances are virtually free of significant errors.
B	80-89%	Demonstrates a proficient level of knowledge and ability to apply course standards and benchmarks. Student performance in reading, writing, listening and speaking assignments may contain some errors, but do not interfere with communication or understanding of the language.
C	70-79%	Demonstrates satisfactory knowledge and ability to apply course standards and benchmarks. Student performance in reading, speaking, listening, and writing contains errors which interfere with communication and understanding of the language.
D	60-69%	Demonstrates only limited knowledge and ability to apply course standards and benchmarks. Student's performance contains numerous errors that interfere with communication and understanding of the language.
F	0-59%	Does not demonstrate acceptable knowledge and understanding of course standards and benchmarks.
