Status: ADOPTED

Original Adopted Date: 05/20/1997 | **Last Revised Date:** 10/16/2024 | **Last Reviewed Date:** 10/16/2024

The Governing Board is committed to maintaining a welcoming, safe, and supportive school environment that is free from discrimination and harassment. The Board prohibits at school or at school-sponsored or school-related activities, sex discrimination and sex-based harassment, as defined in the accompanying administrative regulation, targeted at any student, based on the student's actual or perceived sex; sex stereotypes; sex characteristics; sexual orientation; gender; gender identity; gender expression; pregnancy, childbirth, termination of pregnancy or lactation, including related medical conditions or recovery; and, parental, marital, and family status.

Additionally, the Board prohibits retaliatory behavior or action against any person who complains or testifies about conduct that reasonably may constitute sex discrimination, including sex-based harassment, reports such conduct, or otherwise participates or refuses to participate in the complaint process established for the purpose of this policy. (Education Code 220.1; 34 CFR 106.71)

The district strongly encourages students who feel that they are being or have experienced sex discrimination, including sex-based harassment, on school grounds or at a school-sponsored or school-related activity, or off-campus when the conduct has a continuing effect on campus, to immediately contact their teacher, the principal, the district's Title IX Coordinator, or any other available school employee.

Any employee who receives a report or observes an incident of sex discrimination, including sex-based harassment, by or against a student in a district education program or activity shall report the incident to the Title IX Coordinator within one workday.

Once notified, the Title IX Coordinator shall ensure the complaint or allegation is addressed through Administrative Regulation 5145.71 - Title IX Sex Discrimination and Sex-Based Harassment Complaint Procedures.

The Title IX Coordinator shall offer and coordinate supportive measures to be provided to the complainant and, if the district has begun grievance procedures or offered an informal resolution process to the respondent, offer and coordinate supportive measures to be provided to the respondent as deemed appropriate under the circumstances.

5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sex discrimination or sex-based harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and prompt action shall be taken to stop any harassment, prevent recurrence, and address any continuing effect on students

6. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sex discrimination and sex-based harassment should be made

7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sex discrimination and/or sex-based harassment complaint continues

Sex discrimination, including sex-based harassment, is prohibited in district education programs and activities.

2. *Hostile environment harassment*: Unwelcome sex-based conduct that, based on the totality of the circumstances, is subjectively and objectively offensive and is so severe or pervasive that it limits or denies a person's ability to participate in or benefit from the district's education program or activity

Any prohibited conduct that occurs off campus or outside of school-related or school-sponsored programs or activities will be regarded as sex-based harassment in violation of district policy if it has a continuing effect on a student's ability to participate in or benefit from district educational programs or activities.

3. Sexual assault, dating violence, domestic violence, or stalking as defined in 34 CFR 106.2

Sexual harassment includes, but is not limited to, unwelcome sexual advances, unwanted requests for sexual favors, or other unwanted verbal, visual, or physical conduct of a sexual nature made against another person of the same or opposite sex in the educational setting, under any of the following conditions: (Education Code 212.5; 5 CCR 4916)

Within one workday of receiving such a report, the principal or other school employee shall forward the report to the district's Title IX Coordinator. Any school employee who observes sex discrimination or sex-based harassment shall, within one workday, report the observation to the Title IX Coordinator as specified in the accompanying board policy. The report shall be made regardless of whether the alleged victim files a formal complaint or requests confidentiality.

When a report or complaint of sex discrimination or sex-based harassment involves off-campus conduct, the Title IX Coordinator shall assess whether the conduct may create or contribute to the creation of a hostile school environment. If the Title IX Coordinator determines that a hostile environment may be created, the complaint shall be investigated and resolved in the same manner as if the prohibited conduct occurred at school.

Complaint Procedures

All complaints and allegations of sex discrimination and sex-based harassment shall be investigated and resolved in accordance with 34 CFR 106.44 and 106.45 and Administrative Regulation 5145.71 - Title IX Sex Discrimination and Sex-Based Harassment Complaint Procedures.

Issues Unique to Intersex, Nonbinary, Transgender and Gender-Nonconforming Students

Gender identity of a student means the student's gender-related identity, appearance, or behavior as determined from the student's internal sense, regardless of whether that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression means a student's gender-related appearance and behavior, whether stereotypically associated with the student's assigned sex at birth. (Education Code 210.7)

Gender transition refers to the process in which a student changes from living and identifying as the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.

Gender-nonconforming student means a student whose gender expression differs from stereotypical expectations.

Intersex student means a student with natural bodily variations in anatomy, hormones, chromosomes, and other traits that differ from expectations generally associated with female and male bodies.

Nonbinary student means a student whose gender identity falls outside of the traditional conception of strictly either female or male, regardless of whether the student identifies as transgender, was born with intersex traits, uses gender-neutral pronouns, or uses agender, genderqueer, pangender, gender nonconforming, gender variant, or such other more specific term to describe their gender.

Transgender student means a student whose gender identity is different from the gender assigned at birth.

The district prohibits acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on sex, sex stereotypes, sex characteristics, sexual orientation, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment, regardless of whether the acts are sexual in nature. Examples of the types of conduct that are prohibited in the district and which may constitute sex-based hostile environment harassment include, but are not limited to:

1. Refusing to address a student by a name and the pronouns consistent with the student's gender identity
2. Disciplining or disparaging a student or excluding the student from participating in activities, for behavior or appearance that is consistent with the student's gender identity or that does not conform to stereotypical notions of masculinity or femininity, as applicable
3. Blocking a student's entry to the restroom that corresponds to the student's gender identity
4. Taunting a student because the student participates in an athletic activity more typically favored by a student of the other sex
5. Revealing a student's gender identity to individuals who do not have a legitimate need for the information, without the student's consent
6. Using gender-specific slurs
7. Assaulting a student because of the student's gender, sex characteristic, sexual orientation, gender identity, or gender expression

To ensure that intersex, nonbinary, transgender, and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the district shall address each situation on a case-by-case basis, in accordance with the following guidelines:

1. Right to privacy: A student's intersex, nonbinary, transgender, or gender-nonconforming status is the student's private information

The district shall develop strategies to prevent unauthorized disclosure of students' private information. Such strategies may include, but are not limited to, collecting or maintaining information about student gender only when relevant to the educational program or activity, protecting or revealing a student's gender identity as

necessary to protect the health or safety of the student, and keeping a student's unofficial record separate from the official record.

The district shall only disclose the information to others with the student's prior written consent, except when the disclosure is otherwise required by law or when the district has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. (Education Code 220.3, 220.5; 34 CFR 99.31, 99.36)

The district shall only allow disclosure of a student's personally identifiable information to employees in accordance with law. Any district employee to whom a student's intersex, nonbinary, transgender, or gender-nonconforming status is disclosed shall keep the student's information confidential. When disclosure of a student's gender identity is made to a district employee by a student, the employee shall seek the student's permission to notify the Compliance Officer. If the student refuses to give permission, the employee shall keep the student's information confidential, unless the employee is required to disclose or report the student's information pursuant to this administrative regulation, and shall inform the student that honoring the student's request may limit the district's ability to meet the student's needs related to the student's status as an intersex, nonbinary, transgender, or gender-nonconforming student. If the student permits the employee to notify the Compliance Officer, the employee shall do so within three school days.

As appropriate given the student's need for support, the Compliance Officer may discuss with the student any need to disclose the student's intersex, nonbinary, transgender, or gender-nonconformity status or gender identity or gender expression to the student's parents/guardians and/or others, including other students, teacher(s), or other adults on campus. The district shall offer support services, such as counseling, to students who wish to inform their parents/guardians of their status and request assistance in doing so.

2. **Determining a Student's Gender Identity:** The Compliance Officer shall accept the student's assertion of gender identity and begin to treat the student consistent with that gender identity unless district personnel present a credible and supportable basis for believing that the student's assertion is for an improper purpose
3. **Addressing a Student's Transition Needs:** The Compliance Officer shall arrange a meeting with the student and, if appropriate, the student's parents/guardians to identify and develop strategies for ensuring that the student's access to educational programs and activities is maintained

The meeting shall discuss the intersex, nonbinary, transgender, or gender-nonconforming student's rights and how those rights may affect and be affected by the rights of other students and shall address specific subjects related to the student's access to facilities and to academic or educational support programs, services, or activities, including, but not limited to, sports and other competitive endeavors. In addition, the Compliance Officer shall identify specific school site employee(s) to whom the student may report any problem related to the student's status as an intersex, nonbinary, transgender, or gender-nonconforming individual, so that prompt action can be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a support team for the student that will meet periodically to assess whether the arrangements for the student are meeting the student's educational needs and providing equal access to programs and activities, educate appropriate staff about the student's transition, and serve as a resource to the student to better protect the student from gender-based discrimination.

4. **Accessibility to Sex-Segregated Facilities, Programs, and Activities:** When the district maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, intermural sports, and interscholastic athletic programs, students shall be permitted to access facilities and participate in programs and activities consistent with their gender identity

To address any student's privacy concerns in using sex-segregated facilities, the district shall offer available options such as a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room separated by a curtain or screen, or use of the locker room before or after the other students. However, the district shall not require a student to utilize these options because the student is intersex, nonbinary, transgender, or gender-nonconforming. In addition, a student shall be permitted to

participate in accordance with the student's gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips. A student's right to participate in a sex-segregated activity in accordance with the student's gender identity shall not render invalid or inapplicable any other eligibility rule established for participation in the activity.

Beginning July 1, 2026, each school shall provide and maintain at least one all-gender restroom for student use that meets the requirements of Education Code 35292.5.

5. Student Records: Upon each student's enrollment, the district is required to maintain a mandatory permanent student record (official record) that includes the student's gender and legal name

A student's legal name as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed with proper documentation. A student's gender as entered on the student's official record required pursuant to 5 CCR 432 shall only be changed with written authorization of a parent/guardian having legal custody of the student. (Education Code 49061)

However, when proper documentation or authorization, as applicable, is not submitted with a request to change a student's legal name or gender, any change to the student's record shall be limited to the student's unofficial records such as attendance sheets, report cards, and school identification.

6. Names and Pronouns: If a student so chooses, district personnel shall be required to address the student by a name and the pronoun(s) consistent with the student's gender identity, without the necessity of a court order or a change to the student's official district record

However, inadvertent slips or honest mistakes by district personnel in the use of the student's name and/or consistent pronouns will, in general, not constitute a violation of this administrative regulation or the accompanying board policy.

7. Uniforms/Dress Code: A student has the right to dress in a manner consistent with the student's gender identity, subject to any dress code adopted on a school site
