Narrative

Quantities, equipment, and services being sought, as outlined in "Service Requests" section of this Form 470, are best estimates; see RFP document attached to this Form 470 for all specifications, RFP response requirements, RFP question & answer and response deadlines, etc. Bidders are responsible for checking USAC/SLD E-rate portal to view RFP, and if applicable, RFP Addendums, Questions and Answers. All quantities listed on Form 470 are estimates, as solutions proposed by Service Providers to meet minimum specifications required, may necessitate differing quantities to be bid. Installation and Initial Configuration are requested on Form 470 to the extent those services are needed, but district is requesting equipment to be drop-shipped and no on-site installation services are being requested for this equipment. The RFP, any Addendums, RFP questions and answers will also be posted on District website at <https://www.acalanes.k12.ca.us/RFP>. All inquiries and questions must be submitted via e-mail to Bev Agron (bagron7@gmail.com) with subject: Wireless Access Points and Licenses-YR.2022. Questions must be submitted no later than December 13, 2021. Questions will be responded to by December 15, 2021, and will be posted on District website and USAC system portal (EPC). The District will not respond to phone inquiries. Please follow Form 470 to receive all EPC updates pertaining to this Form 470. Specific quantities may need to be adjusted, depending on solutions presented by Bidders. Applicant may consider contracts with flexible terms to allow for growth/reduction in services to accommodate an increase/decrease in number of sites, users, and/or bandwidth. Service Provider acknowledges all pricing and technology infrastructure information in its contract shall be considered as public and non-confidential, pursuant to CFR Part 54 Section 504 (2)(i)(ii). Service "Basic Maintenance of Internal Connections" (BMIC) is included here, as applicable with proposed Internal Connections solution meeting RFP requirements. The District is not soliciting separate bids for BMIC. Alternative materials or goods on which Bids are submitted must, in all cases, be equivalent, or exceed in every detail, specified by item. Bid must clearly state brand, make or model number. If proposing equivalent materials or goods, submit manufacturers' data sheets verifying equivalency as part of Bid submission. Service Provider acknowledges all pricing and technology infrastructure information in its contract shall be considered as public and non-confidential, pursuant to CFR Part 54 Section 504 (2)(i)(ii). Service Providers submitting proposals in response to this FCC Form 470 must be in compliance with rules and orders governed by Federal Communications Commission. Failure to be in compliance and remain in compliance may result in denial of discount funding, and/or cancellation of funding commitments, and/or could result in civil or criminal prosecution by law enforcement authorities. Service Providers submitting proposals must do so in good faith of compliance with Lowest Corresponding Price (LCP) Rule (see 47 CFR Part 54 Section 54.500(f)). Service Providers submitting proposals must be in full compliance with USAC's Free Services Advisory <https://www.usac.org/e-rate/>. Any offering of free services must be clearly identified in service providers bids. Service Provider invoicing to USAC must be completed within 120 days from last day of service. Should Service Provider fail to invoice USAC timely, Applicant will only be responsible for paying its non-discounted share. Service Provider acknowledges that all pricing and technology infrastructure information in its contract shall be considered as public and non-confidential pursuant to CFR Part 54 Section 504 (2)(i)(ii). Service Providers wanting to respond to this Form 470 must deliver their RFP response to: Acalanes Union High School District, Attn: Christian Henriksen, 1212 Pleasant Hill Rd., Lafayette, California, 94549, for date and timestamping at or before 3:00 P.M, Pacific Time Zone, no later than January 11, 2022. All details how to respond to Form 470/RFP are specified in attached RFP. Faxed or emailed 470 responses will not be accepted. District reserves the right to reject all proposals. If there are no proposals received by the January 11, 2022, deadline, District will extend the deadline by ten (10) days so as to follow State and Local Procurement Law and seek out proposals from multiple Service Providers. A new Form 470 and bidding process is not required.
