

Las Lomas High School

2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	Las Lomas High School
Street	1460 Main Street
City, State, Zip	Walnut Creek
Phone Number	9256391892
Principal	Heather Thorner
Email Address	hthorner@auhsdschools.org
School Website	https://www.acalanes.k12.ca.us/laslomas
County-District-School (CDS) Code	CA

2023-24 District Contact Information

District Name	Acalanes Union High School District
Phone Number	(925) 280-3900
Superintendent	John Nickerson, Ed.D
Email Address	jnickerson@auhsdschools.org
District Website	www.acalanes.k12.ca.us

2023-24 School Description and Mission Statement

Las Lomas High School is located in downtown Walnut Creek, California, a city of 70,127 (2020 Census Data) located east of Oakland, California. Ethnically, Walnut Creek is predominantly white (68.6%) with significant Asian (18.1%) and Hispanic (9.9%) populations. Median household income for the city is \$108,689 (2020 Census Data). Citizens of Walnut Creek are well educated: 97.7% have at least a high school diploma and 68.4% have at least a Bachelor's Degree, with an estimated 23% holding a graduate degree.

The Las Lomas community has a long tradition of active involvement in the school. Through the generous contributions of both time and money by school's numerous community partners including the Walnut Creek Education Foundation (WCEF), the Las Lomas Parent Teacher Student Association (PTSA), the Performing Arts Foundation (PEF) and the Athletic Boosters, Las Lomas is able to provide additional supports and services to all Las Lomas students. Annually, WCEF and PTSA set and meet ambitious fundraising goals to fund additional class sections and support programs throughout the school like science, visual arts and the wellness center. Like the PTSA, the PAFT also makes significant contributions on campus, providing music and theater arts teachers with physical and monetary assistance in many areas. Additionally, PAFT recognizes and rewards outstanding students for musical and theatrical achievements with scholarships. The Athletic Boosters is a mainstay of the Las Lomas school community. Through annual fundraising efforts, they help to maintain strong athletic programs and support the ongoing expenses and capital improvements needed to support athletes.

The City of Walnut Creek is also an active partner with Las Lomas. Annually the city provides a variety of opportunities for community service, public events, etc.

Local businesses are also involved with Las Lomas. The foundations, primarily WCEF, serves as the primary link between Las Lomas and the Walnut Creek business community. During our Homecoming week, we also have an evening downtown open to

2023-24 School Description and Mission Statement

all where Las Lomas students perform, we hand out shirts to our “future knights”.

The mission of Las Lomas High School is to foster an equitable community that values respect, achievement, and honesty. Our students will be creative thinkers who contribute as global citizens and lead with resilience.

The vision of Las Lomas High School is to support all students to thrive as global citizens in a rapidly changing world. We strive to develop students' growth, creativity, communication and teamwork. We are committed to ensuring that every student can reach their intellectual, social, and creative potentials through our collaborative models and inclusive practices throughout our campus.

Las Lomas Schoolwide Learner Outcomes

Las Lomas High School's curriculum and culture strives to develop students into:

Academic Achievers Who:

- Meet or exceed state and district academic standards
- Produce high quality work
- Self-advocate as learners and seek educational challenges

Inclusive and Involved Students Who:

- Are “Uknighthed” as a school community
- Show respect for and interest in diverse cultures
- Demonstrate active civic involvement and social responsibility

Empowered Individuals Who:

- Care for their physical, social, and emotional health
- Take a proactive approach to their current and future academic and career goals
- Act ethically and take personal responsibility for their actions

How to Measure LL SLO's:

Academic Achievers Who:

- Meet or exceed state and district academic standards
- Produce high quality work
- Self-advocate as learners and seek educational challenges

Inclusive and Involved Students Who:

- Are “Uknighthed” as a school community
- Show respect for and interest in diverse cultures
- Demonstrate active civic involvement and social responsibility

Empowered Individuals Who:

- Care for their physical, social, and emotional health
- Take a proactive approach to their current and future academic and career goals
- Act ethically and take personal responsibility for their actions

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 9	381
Grade 10	414
Grade 11	384
Grade 12	392
Total Enrollment	1,571

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	48.1%
Male	51.7%
American Indian or Alaska Native	0.2%
Asian	13.4%
Black or African American	2.3%
Filipino	2.9%
Hispanic or Latino	17.3%
Native Hawaiian or Pacific Islander	0.3%
Two or More Races	8%
White	54.7%
English Learners	5.7%
Foster Youth	0.1%
Homeless	0.4%
Socioeconomically Disadvantaged	12.3%
Students with Disabilities	10.1%

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	73.20	90.16	254.90	89.74	228366.10	83.12
Intern Credential Holders Properly Assigned	0.80	0.99	3.70	1.32	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	4.30	5.30	11.70	4.14	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	2.60	3.20	11.40	4.03	12115.80	4.41
Unknown	0.20	0.33	2.10	0.76	18854.30	6.86
Total Teaching Positions	81.20	100.00	284.10	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	74.90	89.37	269.60	91.30	234405.20	84.00
Intern Credential Holders Properly Assigned	1.90	2.25	4.60	1.57	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	2.80	3.35	7.30	2.50	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	2.60	3.21	9.20	3.12	11953.10	4.28
Unknown	1.50	1.79	4.40	1.51	15831.90	5.67
Total Teaching Positions	83.80	100.00	295.30	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	1.60	0.80
Misassignments	2.70	2.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	4.30	2.80

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.30
Local Assignment Options	2.60	2.30
Total Out-of-Field Teachers	2.60	2.60

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	5.7	5
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	3.1	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Textbooks used by Acalanes Union High School District are based on current California Content Standards and are collectively chosen by by each school District, particularly Department Chairs, that discuss and provide options for textbook purchasing.

After facilitating diversity summits where students voiced the need for a more inclusive and diverse body of literature, the district provided the resources for the English departments to adopt titles that are more modern and reflect the diversity of our population. Suggested titles went through a vetting process where at least three teachers read and approved a suggested title, which led to approval or dismissal. In addition, teachers attended the Beyond Diversity conference where we engaged in topics regarding approaches to diverse instruction. Consequently, this process resulted in the following titles being adopted and taught at Las Lomas:

The Immortal Life of Henrietta Lacks
 The 57 Bus
 Between the World and Me
 There There
 The House on Mango Street
 Just Mercy
 Purple Hibiscus
 Like Water for Chocolate
 The Poet X
 Americanah

In accordance with the California Education Code and the Williams Settlement mandates, procedures, monitoring processes, and reporting practices by Principals and District departments have ensured that all students have access to the current, Standards-based textbooks, and instructional materials.

Year and month in which the data were collected

School Facility Conditions and Planned Improvements

Las Lomas High School has undergone a series of modernizations since its original construction in 1951, with the most recent renovation in 2020. Despite the aging campus and the challenges posed by an increasing student population, Las Lomas High School maintains a safe and clean environment. However, it faces difficulties in adequately meeting the needs of its growing student body. In the summer of 2021, a science/medical classroom was successfully constructed while also undertaking the replacement of the lower portion of the roof in the 100 building. In 2022, the 600 building underwent a roof replacement and several painting projects were also completed. There are scheduled modernization projects to be carried out between 2024 and 2027, specifically addressing the current facility needs.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	67	77	78	82	47	46
Mathematics (grades 3-8 and 11)	56	54	65	65	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	386	364	94.30	5.70	77.07

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

Socioeconomically Disadvantaged	59	55	93.22	6.78	27.27
Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	41	32	78.05	21.95	9.68

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
Science (grades 5, 8 and high school)	49.26	52.56	60.01	64.23	29.47	30.29

2022-23 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded

2022-23 Career Technical Education Programs

Las Lomas High School offers a diverse array of Career Technical Education (CTE) courses designed to help students prepare for college and career opportunities. CTE programs receive funding from the Acalanes Union High School District and the Contra Costa County Office of Education through the Regional Occupation Program (ROP). Funding for ROP comes from State of California CTE grants. All CTE courses are academically focused and provide students with training essential for college and career opportunities. District-approved courses of study provide a framework for the courses, and the courses align with California's model curriculum standards for CTE. The core leaders for CTE in the Acalanes Union High School District are Ryan Shelly, Acalanes High School (Transportation); Steve Boone, Campolindo High School (Engineering and Architecture and Transportation); Jill McTaggart, Las Lomas High School (Hospitality, Tourism and Recreation); and John Grigsby, Miramonte High School (Health Science and Medical Technology). AUHSD and ROP staff regularly evaluate the CTE courses. Through the County ROP advisory committee, CTE teachers receive input and guidance from leaders in a variety of industry sectors.

Las Lomas High School offers CTE courses to all students:

- *Automotive Engineering (Sequence)
 - Automotive Engineering, Advanced (Sequence)
 - Introduction to Computer Science
 - AP Computer Science A
 - AP Computer Science Principles
 - Digital Design 1 (Sequence)
 - Digital Design 2 (Sequence)
 - AP Environmental Science
 - Foods 1 (Sequence)
 - *Foods 2 (Sequence)
 - Foods Advanced Baking and Cooking (Sequence)
 - Foods Advanced International Cuisine (Sequence)
 - Forensic Science
 - *Human Body Systems (Sequence)
 - Medical Interventions (Honors) (Sequence)
 - Principles of Biomedical Science (Sequence)
 - *Sports Medicine
 - Stagecraft
 - Wood Technology (Sequence)
 - Wood Technology Advanced (Sequence)
- *Designated ROP funding

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	464
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	29.4
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission	100
2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission	68.81

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 9	93	93	93	93	93

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Las Lomas partners with parents and community members to work closely together to improve the overall culture and climate of our school. Parents volunteer at a variety of community and school-based programs. As part of the Walnut Creek Education Foundation, WCEF raises over \$1 million annually to supplement the district and partner schools' districts' budgets to enhance our academic programs, as well support our Wellness Center.

We also cultivate a strong partnership with our Parent Teachers Student Association (PTSA) to provide meaningful and important programs for our students' academic and social development. The PTSA meets monthly and is open to all families. PTSA also has a Diversity, Equity and Inclusion (DEI) Committee that focuses on identifying and implementing a strategic, non-violent approach to combating racism, sexism, homophobia, discrimination and exclusion in every aspect of campus and community life. Additionally, PTSA helps to fund and support the Wellness on our campus and have coordinated parent information night sessions- Las Lomas Link Series to educate parents are current topics that are "necessary to know".

Parents are involved in our athletic Boosters Association and Performing Arts Foundation to support these respective programs. These programs support the continuation of our athletic teams, as well as encourage our students to participate in the visual/expressive arts. We also encourage parent participation within our leadership activities by including parents as

2023-24 Opportunities for Parental Involvement

Parent Advisors to our class officers. Parents also take advantage of opportunities to volunteer in our College and Career Center with our Advisor Elizabeth King.

We have a formal advisory committee: School Site Council. School Site Council includes members from all stakeholders, including parents, teachers, staff, administration and students. They meet monthly to review and discuss school-wide initiatives, data on student progress and budgetary expenditures tied to our Site Plan goals.

The Las Lomas community has a long tradition of active involvement in the school. Through the generous contributions of both time and money by school's numerous community partners including the Walnut Creek Education Foundation (WCEF), the Las Lomas Parent Teacher Student Association (PTSA), the Performing Arts Foundation (PEF) and the Athletic Boosters, Las Lomas is able to provide additional supports and services to all Las Lomas students. Annually, WCEF and PTSA set and meet ambitious fundraising goals to fund additional class sections and support programs throughout the school like science, visual arts and the wellness center. Like the PTSA, the PAFT also makes significant contributions on campus, providing music and theater arts teachers with physical and monetary assistance in many areas. Additionally, PAFT recognizes and rewards outstanding students for musical and theatrical achievements with scholarships. The Athletic Boosters is a mainstay of the Las Lomas school community. Through annual fundraising efforts, they help to maintain strong athletic programs and support the ongoing expenses and capital improvements needed to support athletes.

We welcome and encourage parent volunteers in our school and actively seek ways to incorporate them into the culture of Las Lomas High School.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23

Students with Disabilities	5.59	0

2023-24 School Safety Plan

California Education Code (EC) Section 32281(a) requires every kindergarten through grade twelve school, public and public charter, including community and court schools, to develop and maintain a CSSP designed to address campus risks, prepare for emergencies, and create a safe, secure learning environment for students and school personnel. In a school district with fewer than 2,501 units of average daily attendance, there may be one CSSP for all schools within the district.

The law requires designated stakeholders to annually engage in a systematic planning process to develop strategies and policies to prevent and respond to potential incidents involving emergencies, natural and other disasters, hate crimes, violence, active assailants/intruders, bullying and cyberbullying, discrimination and harassment, child abuse and neglect, discipline, suspension and expulsion, and other safety aspects.

Schools, districts, and COEs all play a role in effective school safety planning and are responsible for familiarity with, and fulfillment of, applicable requirements of EC sections 32280–32289.5 [External link opens in new window or tab.](#) The CSSP requirements can be located on the California Legislative Information web page. Las Lomas is a closed campus and all visitors must register at the Attendance Office. In addition to the Staff, two Campus Supervisors monitor campus from 7:30 am to 3:30 pm. The school has a respectful partnership with the Walnut Creek Police Department.

The Safety Plan is reviewed and revised yearly for improvement. Fire, disaster, intruder and evacuation drills are held throughout the year to train Staff in case of an emergency. Safety plans have been updated to include new law enforcement recommendations for campus intruders, including the Run-Hide-Defend protocol. Restorative Justice is practiced by teachers, coaches and administrators when dealing with student conflicts. During the COVID pandemic, Las Lomas High School has made upgrades to the ventilation systems, and provided PPE and sanitizer products in each room for student and Staff use.

The School Safety plan was last updated, reviewed, and approved by the school board last year. Before approval, the plan was shared with the School Site Council and faculty for input. The Plan will be reviewed during the current school year and

2023-24 School Safety Plan

presented to the Board by each school's Associate Principal throughout the District.

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	23	18	57	
Mathematics	27	7	47	4
Science	28	3	51	4
Social Science	27	10	45	

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	23	22	53	
Mathematics	27	8	50	
Science	27	9	50	
Social Science	26	11	45	2

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	23	23	51	1
Mathematics	29	2	43	8
Science	27	5	49	0
Social Science	27	8	41	7

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	341.52

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	4.6
Library Media Teacher (Librarian)	1
Library Media Services Staff (Paraprofessional)	
Psychologist	2
Social Worker	1
Nurse	0.6
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	0.4

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$16,836	\$5,243	\$11,593	\$97,616
District	N/A	N/A	\$12,065	\$100,235
Percent Difference - School Site and District	N/A	N/A	-4.0	0.2
State	N/A	N/A	\$7,607	\$97,850
Percent Difference - School Site and State	N/A	N/A	55.0	3.6

Fiscal Year 2022-23 Types of Services Funded

Las Lomas benefits from the generous contributions from the Walnut Creek Education Foundation (WCEF). Through the fundraising efforts of WCEF and the collaborative relationship Las Lomas High School enjoys with WCEF, we are able to enhance the academic programs and overall educational environment at Las Lomas. This past year, WCEF funded key academic programs and electives in our core curriculum and supported the newly opened Wellness Center, its staff and supplies.

Our Parent Teacher Student Association provides critical support for our student recognition programs, teacher grants and student projects. The PTSA also provides supplemental support for our Visual and Performing Arts, Science and Career Tech Ed departments in terms of additional funding to purchase supplies that enhance the student experience. They have also taken the lead on providing parent education events focusing on ways to help families support healthy, engaged, and safe children. PTSA also support our Diversity, Equity and Inclusion parent group that is an extension to the wide variety of equity work happening on our campus.

The Performing Arts Foundation and Boosters also provides resources to our drama and athletic programs. Through their donations to Las Lomas, we are able to maintain these classes and teams. These programs strive to be inclusive and provide all opportunities for our students.

The Las Lomas community has a long tradition of active involvement in the school. Through the generous contributions of both time and money by school's numerous community partners including the Walnut Creek Education Foundation (WCEF), the Las Lomas Parent Teacher Student Association (PTSA), the Performing Arts Foundation (PEF) and the Athletic Boosters, Las Lomas is able to provide additional supports and services to all Las Lomas students. Annually, WCEF and PTSA set and meet ambitious fundraising goals to fund additional class sections and support programs throughout the school like science, visual arts and the wellness center. Like the PTSA, the PAFT also makes significant contributions on campus, providing music and theater arts teachers with physical and monetary assistance in many areas. Additionally, PAFT recognizes and rewards outstanding students for musical and theatrical achievements with scholarships. The Athletic Boosters is a mainstay of the Las Lomas school community. Through annual fundraising efforts, they help to maintain strong athletic programs and support the ongoing expenses and capital improvements needed to support athletes.

The City of Walnut Creek is also an active partner with Las Lomas. Annually the city provides a variety of opportunities for community service, public events, etc.

Local businesses are also involved with Las Lomas. The foundations, primarily WCEF, serves as the primary link between Las Lomas and the Walnut Creek business community. During our Homecoming week, we also have an evening downtown open to all where Las Lomas students perform, we hand out shirts to our "future knights".

These programs and organizations have allowed Las Lomas to continue to improve and innovate through our partnerships and working relationships.

Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$57,041	\$57,234
Mid-Range Teacher Salary	\$91,053	\$95,467
Highest Teacher Salary	\$116,563	\$122,669
Average Principal Salary (Elementary)	\$0	
Average Principal Salary (Middle)	\$0	\$153,476
Average Principal Salary (High)	\$164,789	\$173,198
Superintendent Salary	\$299,500	\$277,572
Percent of Budget for Teacher Salaries	34.71%	31.17%
Percent of Budget for Administrative Salaries	4.65%	4.46%

2022-23 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	44.1
-----------------------------------	------

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	2
English	9
Fine and Performing Arts	2
Foreign Language	3
Mathematics	10
Science	13
Social Science	14
Total AP Courses Offered Where there are student course enrollments of at least one student.	53

Professional Development

The Acalanes Union High School District (AUHSD) utilizes an engaging and inclusive model of professional development. Working closely with teacher leaders and site administration, the Educational Services Department collaborates with teacher leaders and site administrators to implement professional development programming that matches priorities identified through teacher feedback, student performance data, and the Local Control and Accountability Plan. To provide effective professional development, AUHSD utilizes experts from the Contra Costa County Office of Education, private consultancy groups, and local

Professional Development

universities; in addition, AUHSD teachers and administrators frequently lead professional development sessions. Professional development opportunities in AUHSD include the following:

- Annual District and site-based professional development days (3 full days per year)
- Summer Institute (3 days) prior to the start of the school year
- Summer curriculum development sessions
- District and site-based curricular release days
- Wednesday and Friday morning site-based meetings
- Districtwide optional professional development days
- Districtwide after-school curricular projects
- Sessions led by instructional coaches – Teachers on Special Assignment
- Regional and national conferences and workshops (in-person and online)
- Training related to new standards and curriculum

As AUHSD staff participate in several initiatives related to curriculum, instruction, and student engagement, recent professional development sessions have addressed the following topics:

- Curriculum Development
- Course content and standards for English language arts, mathematics, science, and social studies
- Development of a new Ethnic Studies course
- Refinement of the Human and Social Development course
- Introduction of data science into the mathematics course pathways
- Learning Theory and Instructional Strategies
- Science behind student learning
- Effective instructional strategies, especially for the 90-minute class sessions
- Infusing 1:1 technology in the classroom to increase engagement and learning
- Expansion of project-based learning
- Grading practices that foster engagement and learning
- Academic Intervention
- Identifying needs of students not performing at standard
- Targeted academic interventions for students earning grades below a “C”
- Classroom and schoolwide systems for academic intervention
- Social Emotional Wellbeing
- Strategies to foster classrooms characterized by positive connections and support
- Social emotional learning strategies that help address issues related to academic stress

AUHSD is also continuing to provide professional development that fosters inclusion and belonging for all staff and students.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3
