## Guidance for Selecting an Academy Offering

- Check SchoolLoop & Google Classroom
  - ◆ Look for upcoming tests - are there study sessions that you can attend?
  - ◆ Look for upcoming projects and essays - are there offerings that help with these assignments?
  - ◆ Look for the class that is harder for you - can you get additional support from the teacher or Peer Tutoring?
  - ◆ Look for assignments where you struggled - can you get additional support from that teacher?

## Guidance for Selecting an Academy Offering (continued)

- Check your schedule for the next few weeks
  - ◆ Do you need time at school to get homework done?  
Sign-up for the library, MUR or a study hall.
  - ◆ Will you miss class and need to make up classwork, labs, tests, etc.? Sign up for that class *proactively*.
- Mental Health
  - ◆ Do you need to access resources in the Wellness Center?
  - ◆ Do you need to get some exercise with the P.E. offerings to clear your head?

## Note about Teacher Tags

- There will be times throughout the school year where teachers will tag you to their offerings.
- You must attend these classes.
- You are being tagged for your benefit! It may be for a targeted Academy on a skill you need to improve, or it may be for a missed assignment or test.
- If you need to go to another offering, email or talk to your teacher ahead of Academy.

## Important Reminders

- ◎ Sign-up for a Wednesday offering by lunch on Tuesday
- ◎ Sign-up for a Friday offering by lunch on Thursday
- ◎ If a teacher or counselor makes an appointment with you, you must go to their classroom during Academy time.
- ◎ Make sure you have your ID scanned every time you walk into Academy - at the beginning of the session not the end.
