Step 2: Come to Cougar Day, confirm your name on the Master List at the Check-in Tent.

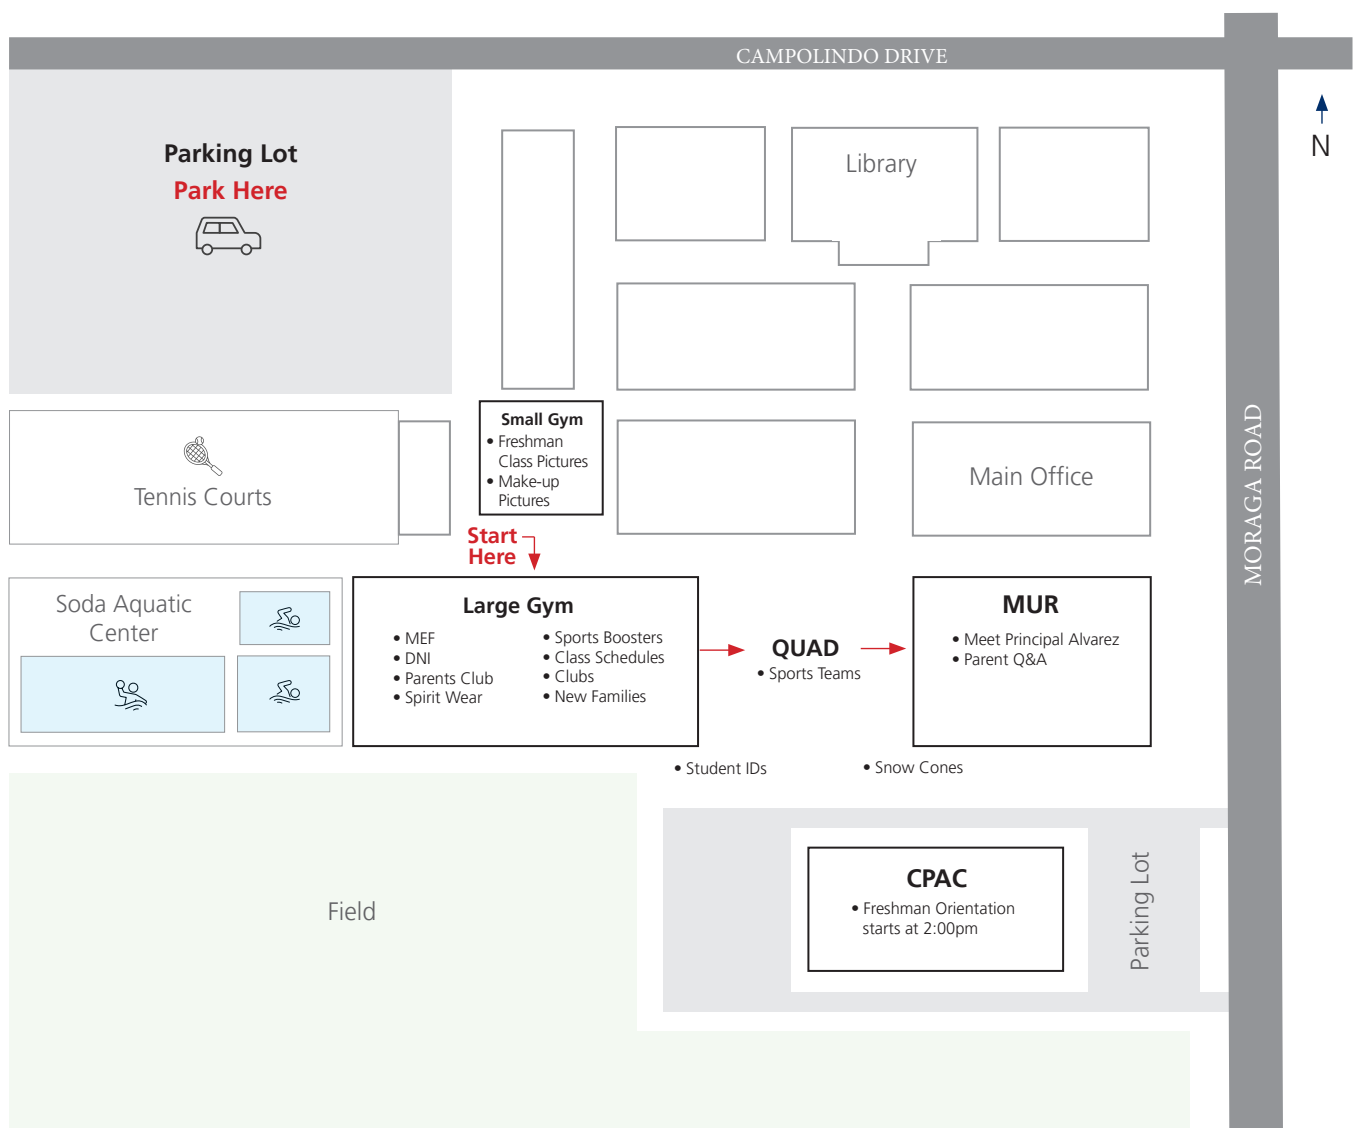

Step 3: Once you are confirmed, we will stamp your hand. This will be your entry to Cougar Day and to pick up your schedule. Your hand **MUST** be stamped to receive your schedule.

What you need to know

- Student Class Times:** We have assigned times for each class to come through Cougar Day. This gives everyone a chance to reconnect with classmates. While we encourage students to come at their scheduled class time, we understand every family has different schedules and Cougar Day is open to *any student at any time*, from 10:00am - 2:00pm.

10:00am - 11:00am	Seniors
11:00am - 12:00pm	Juniors
12:00pm - 1:00pm	Sophomores
1:00pm - 2:00pm	Freshmen

- Meet Principal Alvarez:** Throughout Cougar Day parents are invited to gather in the MUR to meet our new principal, Mr. Pete Alvarez, in a casual and informal setting. It's a chance to ask some questions before the first day of school and connect with the Campo community.
- New to Campo:** Is your family new to Campolindo? Stop by the New Families Table where representatives and parent leaders from the Campolindo Parents Club and Moraga Education Foundation will be available with a wealth of information to help make your transition smoother. Be sure to also visit the Class Tables where Parent Advisors can answer questions and offer information specific to your student's class.
- Freshman Orientation:** From 2:00pm-4:00pm in the CPAC.
- Sports Physicals:** Available in the MUR from 6:30pm-8:30pm (cost \$50, benefits Sports Boosters). For more information, visit [Campolindo Athletics](#).
