

CAMPOLINDO PLEDGE

Inspired by the Birmingham Pledge

- 1 I believe** that every person has worth as an individual.
- 2 I believe** that every person is entitled to dignity and respect, regardless of race, color, religion, sex, sexual orientation, gender identity, disability or national origin.
- 3 I believe** that every thought and every act of racial prejudice and other prejudice is harmful; if it is my thought or act, then it is harmful to me and our Campolindo community.
- 4 I believe** that impact matters in spite of intent. I understand that I will be held accountable for the impact of my language and actions, even if I did not intend to cause harm.

Therefore, from this day forward,

- 5 I will** strive daily to eliminate racial prejudice and other forms of prejudice from my thoughts and actions.
- 6 I will** discourage racial prejudice and other forms of prejudice by others at every opportunity.
- 7 I will** treat all people with dignity and respect.
- 8 I will** strive daily to honor this pledge, knowing that the world will be a better place because of my effort.
