

Campolindo High School

A California Distinguished School

PETE ALVAREZ • *Principal*

JOHN NICKERSON • *Superintendent*

Dear Campolindo Community,

Welcome to the start of the 2022-2023 school year. The opportunity to serve this community and its students is an honor and privilege that I am humbled by. My hope in the coming months is to get to know as many students and their families as possible. We are one of the best high schools in the country with the capacity to prepare every student to pursue their passions. United as a community we can work together to ensure that all 1335 students of Campolindo find a place of belonging.

As the year progresses, I ask that you stay connected to our school community and your student's progress towards graduation. High school is a time to increase involvement and connection as your students prepare for their post-secondary aspirations.

I look forward to the opportunity to meet at one of the many exciting events and activities in the coming year.

Sincerely,

Pete Alvarez

Principal, Campolindo High School
