13.1.1. A grievance is a complaint by a unit member, or members, or the Association, that there has been an alleged violation, misapplication or a misinterpretation of the specific provisions of this Agreement covering the members of the Association. The parties recognize that disputes should be resolved expeditiously at the lowest possible administrative level, notwithstanding the right and the desirability of either party to bypass any initial steps if the grievance involves decision-making at a higher administrative level.

13.2. Informal Procedures

13.2.1. Every effort shall be made by the grievant and his/her immediate supervisor to resolve the difficulty informally through meeting and consulting. The positions of each party and the background and reasons for the problem shall be stated and explored by the grievant and his/her immediate supervisor at a meeting or consultation period. At all levels in the procedure either party may be accompanied by a representative to advise the party.

13.3. Formal Process

13.3.1. Step One: The grievant may present the grievance, in writing, to the immediate supervisor or principal within ten (10) working days of the occurrence of the dispute or ten (10) working days from such time as the grievant should have become aware of the occurrence (see Grievance Form, Appendix I). The immediate supervisor or principal shall communicate his/her decision to the parties to the grievance in writing within five (5) working days after receiving the complaint. A grievance may be filed at Step Two with the mutual agreement of AEA and the District.

13.3.2. Step Two: If the grievance is not resolved within five (5) working days of the presentation under Step One, the grievance may be submitted, in writing, to the Assistant Superintendent, Human Resources within ten (10) working days after receiving the response from the immediate supervisor or principal. The Assistant Superintendent, Human Resources shall respond in writing within ten (10) working days.

If the matter goes to mediation, the parties shall mutually select a mediator who shall attempt to assist the parties to settle the grievance. The mediator shall not issue a decision and the mediation process shall be confidential.

13.3.3.2. If the matter is not referred to mediation, AEA may appeal the decision in writing within ten (10) working days after receipt of the decision in writing of the Director of Human Resources and request a hearing before the Governing Board at its next regular meeting.

13.3.3.3. Governing Board Hearing: The Governing Board shall have available to it all documents relating to the appeal and any District records that would be helpful in its review. The

Governing Board shall notify all parties of its decision within ten (10) working days following the meeting at which the grievance was considered.

13.3.4. Step Four: If the grievant is not satisfied with the disposition of the grievance at Step Three, or if no written decision has been rendered within ten (10) working days after the meeting of the Governing Board at which the grievance was heard, AEA may, within ten (10) working days after the decision by the Governing Board, request in writing that the grievance be submitted to binding arbitration. If any questions arise as to the arbitrability of the grievance, such question shall be ruled upon by the arbitrator only after he/she has had the opportunity to hear the merits of the grievance. The parties shall select a mutually acceptable arbitrator. Should they be unable to agree on an arbitrator within ten (10) working days of the submission of the grievance to arbitration, the arbitrator shall be selected from a list, submitted by the California Conciliation Service of five (5) persons experienced in public education. If the parties cannot agree on an arbitrator from the list, each party shall alternately strike names until only one remains. The arbitrator shall have no authority or power to add, delete, or alter any provisions of the Agreement, but shall limit the decision to the application and interpretation of its provision. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning, and conclusions on the issues submitted. The decision of the arbitrator shall be submitted to the grievant, the Governing Board, the Assistant Superintendent, Human Resources, and the Association.

13.4. Costs

All costs for the services of the arbitrator, including, but not limited to, per diem expenses, travel, and subsistence expense, shall be shared equally by the District and the Association. All other expenses shall be borne by the party incurring them.

13.5. Extension of Time Limits

13.5.1. The time between the steps of the procedure may be extended by mutual agreement. If the immediate supervisor or principal fails to respond within the required time limits, the grievant may then present the grievance in writing to the next higher step. 14.3. PAR Program Outline

14.3.1. Any unit member having permanent status who has received an “Overall Evaluation” rating of “Needs Improvement” be referred to the PAR program. A unit member with permanent status who has received an “Unsatisfactory” shall be referred to the PAR Program.

14.3.2. The Evaluator will meet with the RPT and the CT to discuss the recommended areas of improvement identified in the evaluation. A written document “Support/Improvement Plan” (Form G) delineating areas of needed improvement shall be developed by the Evaluator and be given to the RPT.

14.3.2.1. The areas for improvement (see 14.2.8) shall be written and aligned to student achievement, be clearly stated, and shall be consistent with Education Code Section 44662. These recommendations shall be considered as the performance goals required by Education Code Sections 44664(a) and 44500(b) (2).

14.3.2.2. The RPT shall work with the CT to complete the Participating Teacher Action Plan (PAR Form A)

14.3.2.3. The CT, RPT and the Evaluator(s) are expected to establish a cooperative relationship and shall coordinate and align the assistance provided to the RPT.

14.3.3. The Consulting Teacher’s assistance and review shall focus on the specific areas of improvement as identified on the RPT’s evaluation when the RPT received a “Needs Improvement” or an “Unsatisfactory”.

14.3.3.1. At sites with more than one CT, every effort shall be made to match up an RPT with the CT of his/her choice.

14.3.3.2. Functions performed by a CT pursuant to this article by bargaining unit members shall constitute neither management nor supervisory functions. The CT shall continue to have all rights of bargaining unit members.

14.3.3.3. All communication between the CT and RPT shall be confidential, and without written consent of the RPT, shall not be shared with others including the site principal, the evaluator, and Joint Panel except as specified in this article.

14.3.3.4. The CT and the RPT shall meet to outline in writing an “Action Plan” (PAR Form A). The CT shall keep a log of his/her activities with the RPT (PAR Form B).

14.3.3.5. The CT shall work with the RPT who initially receives an “Overall Evaluation” rating of “Needs Improvement” evaluation for a period of one academic year, to begin when school starts and to be completed by June 1 of each year. If the RPT receives an “Overall Evaluation” rating of “Needs Improvement” or “Unsatisfactory” after the first year of assistance, the CT may repeat the assistance process during the following year per article 11.5.1.1, 11.5.2 and 14.3.1.

14.3.3.6. The CT shall work with the RPT who receives an “Overall Evaluation” rating of “Unsatisfactory”. The CT’s work shall continue for a period of one academic year, to begin when school starts and to be completed by June 1.

14.3.3.6.1. If the RPT continues to receive an “Overall Evaluation” rating of “Unsatisfactory” at the end of the first year, he/she shall repeat the assistance process for the first semester, with the assistance to be complete by the last day of that semester. During this semester, the RPT will be evaluated using a modified evaluation process rather than the process outlined in Article 11:

- one informal observation which may be announced or unannounced (PAR Form C);
- one formal observation with a pre- and post- conference (PAR Forms B and C);
- an instructor self-reflection (Form D);
- a minimum of 3 walk through observations.

If the RPT receives an “Overall Evaluation” rating of “Unsatisfactory” from the Evaluator, the matter will be referred to the District for further action.

14.3.3.6.2. If the RPT receives an “Overall Evaluation” rating of “Needs Improvement” the CT shall repeat the assistance process during the following year per Article 11.5.1.1 and 14.3.1.

14.3.4. At the end of the time period specified in 14.3.3.5 or 14.3.3.6, the CT shall complete a final written report describing the RPT’s participation in the PAR program (see Form B). This report shall consist solely of:

- (1) A description of the assistance provided by the CT; and
- (2) A description of the RPT’s participation in the PAR program with evidence from supporting documents (PAR Form B and C);
- (3) The CT shall submit a copy of the Final Report (PAR Form C) to the RPT for his/her input and signature before it is submitted to the Human Resources Department. The RPT’s signature does

not necessarily mean agreement, but rather that he/she has received a copy of the report. The RPT shall have the right to submit a written response report to the Human Resources Department. This response shall be attached to the CT's Final Report (PAR Form C).

14.3.5. A CT may be assigned to a beginning teacher(s) (BT) as defined in 14.2.4 to provide assistance, training and /or support.

14.3.5.1. Because beginning teachers' participating in the PAR program is not legally mandated, neither the CT nor the Joint Panel will make written reports regarding the individual beginning teachers, nor forward to the Board the names of individual beginning teachers who participated in the PAR program. The CT shall not participate in the performance review of the beginning teacher. All communications between the CT and the BT are confidential.

14.3.5.2. This PAR program shall not waive the Governing Board's legal right to make non-reelection decisions.

14.3.6. Teachers eligible to be VPTs may submit to the Joint Panel an application to participate in the PAR program. Requests must be submitted prior to May 15 for consideration for the following school year.

14.3.6.1. Selected volunteers will participate on a year-to-year basis, as determined by the Joint Panel based upon availability of resources.

14.3.6.2. Because VPTS are not mandated by law to participate in the PAR program, neither the CT nor the Joint Panel will forward to the Board the names of individual VPTs or report on the outcome of their participation. The CT shall not participate in the performance review of the VPT. All communications between the CT and the VPT are confidential.

14.4. Governance and PAR Program Structure

14.4.1.2. The Joint Panel will strive to make all decisions through consensus in the areas of appointments, reports and recommendations to the Governing Board, and PAR program plan and budget. Failing consensus, decisions will be made by a majority vote. Four of the five members will constitute a quorum for purposes of meeting and conducting business.

14.4.1.3. The Joint Panel operates in complete confidentiality. Its primary responsibilities are to establish the PAR program and PAR program budget on a yearly basis and to select and oversee the CTs. Specifically, the Joint Panel is responsible for:

17. ARTICLE 17: EMPLOYEE DISCIPLINE

17.1. General Provisions

- 17.1.1. The District may discipline a unit member only for just cause. Discipline shall include warnings, reprimands, or suspensions without pay for up to fifteen (15) working days. Discipline shall not include dismissal or suspension for more than fifteen (15) working days.
- 17.1.2. Discipline shall be fair, consistent and follow the procedures of progressive discipline outlined in Article 17.3.
- 17.1.3. The District will follow the procedures of progressive discipline per Article 17.3 in a timely manner after obtaining credible knowledge of the alleged violation giving rise to the discipline.

17.2. Representation

At all stages of the disciplinary process, prior to arbitration, a unit member shall have the right, at his/her request, to representation by the Association or to represent himself/herself, or to be represented by any other person of his/her choice, so long as that other person is not a representative of another employee organization. If the District is notified by a unit member that he/she has elected to be represented by himself/herself or by someone other than the Association, the District shall promptly notify the Association of that fact. Only the Association has the right to initiate arbitration and to represent the employee in arbitration proceedings. If the employee chooses not to be represented by the Association or chooses not to go to arbitration, then it is agreed that any subsequent resolution or settlement shall not be considered as precedent and shall not be referred to in any future cases involving other employees.

17.3. Progressive Discipline

- 17.3.1. The following progressive discipline procedures will be applied, except where the serious nature of the alleged conduct justifies bypassing the steps outlined below. The determination as to whether or not the serious nature of the conduct warranted bypassing progressive discipline steps and going directly to a suspension without pay may be submitted directly to step four of the grievance procedure as outlined in Article 13 of the Agreement. "Without pay" shall mean a unit member's per diem wage, not including medical benefits. Any discipline shall be based on credible knowledge.

Provided there has been no repetition of a similar kind of conduct for a period (18 months) following an initial written warning, the warning will not be referenced in any subsequent discipline. An initial written warning shall be placed in the unit member's personnel file. At the member's request, the written warning will be sealed at the end of an 18-month period not to be opened with the exception of a court order or subpoena. The employee shall be given ten working days to reply and attach a rebuttal to be included in the file along with the initial written warning.

17.3.1.1.3. A final written warning may be issued if an initial written warning does not result in a corrective conduct. A final written warning shall be placed in the unit member's personnel file. Provided there has been no repetition of a similar kind of conduct for a period of two years (24 months) following a written warning, the warning will not be referenced in any subsequent discipline. At the member's request, the final written warning will be sealed at the end of a two-year period not to be opened with the exception of a court order or subpoena. The employee shall be given ten working days to reply and attach a rebuttal to be included in the file along with the written warning.

17.3.1.2. A written reprimand shall be used if a final written warning does not result in corrective conduct.

17.3.1.2.1.1. Subject to 17.3.1 above, written reprimands will not be used unless the unit member has received a final written warning about similar actions within twenty-four (24) months following the date of the last occurrence.

17.3.1.2.1.2. Written Reprimands will be placed in the employee's personnel file. The employee shall be given ten working days to reply and attach a rebuttal to be included in the file along with the written reprimand.

17.3.1.2.1.3. Provided there has been no repetition of a similar kind of offense for a period of four (4) years following a written reprimand, at the member's request, the written reprimand shall be sealed in the employee's personnel file, not to be opened with the exception of a court order or subpoena.

17.3.1.3. Suspension Without Pay

17.3.1.3.1. No unit member will be suspended for more than fifteen (15) working days during a school year. In all instances, however, the length of a suspension must be proportionate to the member's conduct.

17.3.1.3.2. Suspension without pay may be appealed directly to step four (4) of the grievance procedure as outlined in Article 13 of the Agreement. If timely appealed, the penalty will not be applied until the arbitrator's decision is rendered or the grievance is otherwise resolved.

17.3.1.3.3. Provided there has been no repetition of a similar kind of conduct for a period of four (4) years following a suspension, the notice of suspension will remain in the employee's file sealed, not to be opened with the exception of a court order or subpoena.

17.4. Required Notice of Suspension

Notice of suspension will be made in writing and served in person or by certified mail upon the unit member by the Superintendent or designee. A copy without the unit member's name will be concurrently provided to the Association President. The notice of suspension will contain:

Nor is this article intended to preclude the District's right to non re-elect probationary unit members or to release temporary teachers pursuant to the Education Code.

18. ARTICLE 18: COMPLETION OF MEET AND NEGOTIATE

- 18.1. The terms and conditions set forth herein represent the full and complete understanding between District and Association. Thus, although family leave due to an employee's serious health condition would normally run concurrently with sick leave where the employee is out for three (3) days or more, this will not apply in the case of disability due to maternity.

I. Spouses Who Work For The District

The leave will not constitute a break in service for purposes of longevity and seniority.

DOMESTIC PARTNERS

In California, and also under this Agreement, a domestic partnership shall be established when all of the following requirements are met:

1. Both partners have a common residence. The term “common Residence” means that both domestic partners share the same residence. It is not necessary that the legal right to possess the common residence be in both of their names. Two people have a common residence even if one or both have additional residences. Domestic partners do not cease to have a common residence if one leaves the common residence but intends to return.
2. Both persons agree to be jointly responsible for each other’s basic living incurred during the domestic partnership, the term “basic living expenses” means shelter, utilities, and other costs directly related to the maintenance of the common household of the common residence of the domestic partners. It also means any other cost, such as medical care, if some or all of the cost is paid as a benefit because a person is another person’s domestic partner. The term “joint responsibility” means that each partner agrees to provide for the other partner’s basic living expenses if the partner is unable to provide for him or herself.
3. Neither person is married nor a member of another domestic partnership.
4. The two persons are not related by blood in any way that would prevent them from being married to each other in California.
5. Both persons are at least eighteen years of age.
6. Either of the following:
 - (a) Both persons are members of the same sex.
 - (b) One or both of the persons meet the eligibility criteria Under Title II of the Federal Social Security Act as defined in 42 U.S.C. Section 402(a) for old-age insurance benefits, or Title V XI of the Federal Social Security Act as defined in 42 U.S.C. Section 1381 for aged individuals.
7. Both persons are capable of consenting to the domestic partnership.
8. Neither person has filed a Declaration of Domestic Partnership with the California Secretary of State pursuant to applicable law which has not been terminated pursuant to applicable law.

In order to receive any benefits in this Agreement for domestic partners, all requirements set forth above must be met, and the District must receive a copy of the registered form of the Declaration of Domestic Partnership which has been returned to the domestic partners from the California Secretary of State, (Family Code section 298.5). The burden of proof is on the eligible employee seeking benefits- Eligible employees who may obtain benefits pursuant to this Agreement shall immediately notify the District in writing whenever the domestic partnership is terminated. (Family Code section 299).
