Re: 2018-2019 Student Injuries and Insurance

Dear Parent/Legal Guardian:

The safety of our students is one of our most important concerns. Even so, accidents do happen and resulting medical treatment (ambulance transport, surgery, hospitalization, etc.) can be very expensive.

Please know that the District does not assume responsibility for these costs. However, as a service to you and your child, your school has joined with thousands of others by offering you access to a low cost, voluntary purchase student accident/health insurance program. The program is arranged and administered by Myers-Stevens & Toohey & Co., Inc. a firm that has specialized in such coverage for 40 years. Details and an enrollment form are in the accompanying brochure. Please read it carefully.

Several plans are offered and rates for the entire school year start at around $16 (Dental Accident Plan). You can limit coverage to school related injuries only (including sports) or opt for 24/7 protection. Also offered is a Student Health Care Plan (recommended if your child has no other health insurance) and a pharmacy discount program for your entire family. Whether your child currently has no other coverage or you want to “fill in the gaps” in other insurance, you will probably find an option to fit your needs.

While you can seek care from any doctor or hospital, you’ll also have access to an extensive network of medical providers with discounted charges. Seeking care through contracted providers may further reduce your out-of-pocket costs, particularly if your child needs surgery or hospitalization.

To enroll, complete the enrollment form in full, select the plan(s) you want for your child, enclose the proper premium using a check, money order or credit card, seal and return as directed on the form. While your child is eligible to enroll at any time, you are encouraged to consider early enrollment to get maximum value from the plan(s) selected.

Note - Once processing is completed, an ID card verifying coverage will be mailed home to you. Because many parents have expressed interest in much higher limits of coverage for their children, at that time you’ll also be sent information regarding a newly available Supplemental Catastrophic Injury Plan that can cover up to $500,000/injury for up to five years.

If you have any questions, please call Myers-Stevens & Toohey at (800) 827-4695. Bilingual representatives are available for parents who need assistance in Spanish.

Sincerely,

Julie Bautista

See page 4 for details!
Our voluntary participation plans are a low-cost way for parents to provide protection for their children. They can be used on a standalone basis for those with no other health coverage or as “gap coverage” to assist with the high deductibles, high co-pays and other inside limits common to many of today’s health plans. They offer complete freedom of choice of provider!

**Student Accident & Sickness Plan**

Coverage protects your student 24 hours a day, anywhere in the world, including participating in all interscholastic sports, except high school tackle football. VOLUNTARY BENEFITS

Below are two distinct schedules of benefits for the District to choose from. Each schedule includes several levels of accident coverage: a School-Time, Full-Time (24/7) or Tackle Football only basis. In addition, we offer a Student Accident & Sickness Plan, Dental Accident Plan and Pharmacy SmartCard.

We will pay benefits only for covered Injuries sustained or Covered Sickness commencing while insured under this School Year’s plan. Benefits payable will be based on the Usual, Customary and Reasonable charges incurred for covered medical and dental services, as defined by the Policy, subject to exclusions, requirements and limitations. We do not pay for a service or supply unless it is Medically Necessary and listed in the Description of Benefits, below. Applicable benefits mandated by the state of residence will be included in the covered expenses. Applies to all voluntary plans except the Dental Accident Plan.

Parents may take their child to any provider they choose; however, seeking treatment through a First Health contracted provider may reduce out-of-pocket costs.

LIMITED ACTIVITIES COVERAGE

The following coverages may be provided to your district at no additional charge in consideration of your district’s application and diligent efforts to provide the voluntary Student Accident Coverage materials to the parent/guardian of every student in the district and maintenance of a proper system of signed waiver/proof of insurance (where required by law). Some of these coverages are designed to assist with district compliance of Education Code requirements where applicable.

NOTE: To receive these coverages, please complete the Limited Activities Agreement attached to the application.

Interscholastic Sports Oversight Coverage
Covers injuries to interscholastic athletes who: 1) did not purchase student accident insurance because district personnel inadvertently failed to offer student accident insurance plans to the injured athlete as required by Education Code (where applicable) and 2) did not file a Waiver of Student Insurance, and 3) participated in interscholastic athletics without any insurance coverage. Benefits are paid at 100% of Usual, Reasonable and Customary charges up to a maximum of $1,500 per Accident.

Non-Competing Participants Coverage
Covers injuries occurring while traveling in School-provided and operated vehicles to and from athletic events for which they have been selected by the district to directly assist in the noncompetitive activities associated with the events, e.g., members of school bands, cheerleaders, pompom girls and team managers. Benefits are paid at 100% of Usual, Reasonable and Customary charges up to a maximum of $1,500 per Accident.

One-Day Field Trip Coverage
Covers injuries which occur while your students are attending or participating in School-sponsored one-day field trips which are under the direct and immediate supervision of School personnel.

In order to qualify as a bona-fide “Field Trip”, the district must be fully responsible for the students while they are participating in the outing. Benefits are paid at 100% of Usual, Reasonable and Customary charges up to a maximum of $1,500 per Accident.

Students attending or participating in interscholastic events are not covered under this plan.

Blanket Accidental Death Coverage
Provides a $2,500 accidental death benefit for all of your students and district employees for loss resulting from covered injuries occurring while attending School or participating in activities sponsored and under the direct and immediate supervision of the School during the regular School Year, including all sports and while being transported in a School-provided and operated vehicle.

Benefits are provided for any student whose injury occurs during the regular School Year while: traveling directly to or from School; participating in a School-sponsored and supervised activity; or on the School’s premises. A felonious assault is an act of violence directed against a student, which results in a bodily Injury for which a student requires and seeks medical Treatment, and the School files a written report with the police within 24 hours of the assault.

The plan pays for covered expenses incurred within a year from the date of the first Physician’s visit. However, should the Injury sustained require the removal of surgical pins, continued Treatment for serious burns, or Treatment of a non-union or mal-union fracture, the benefit period will be extended to 104 weeks. Each covered condition may be subject to a deductible – see plan details.

Non-Duplication of Benefits (Excess Provision)

In order to keep premium as affordable as possible, these plans pay benefits on a non-duplicating basis. This means, if a person is covered by one or more of these plans and by any other valid insurance or health agreement, any amount payable or provided by the other coverages will be subtracted from the covered expenses and we will pay benefits based on the remaining amount.

This brochure contains a brief description of the benefits available. Rates shown in this brochure include all administrative expenses, commissions and taxes.
