**Provide copies of:**

- **Registration of car(s) being parked on campus**
- **Driver's license**

*The rules stated below regarding parking must be followed:*

1. Any car driven onto campus must be registered with the Attendance Office and must have a valid parking permit hanging on the rearview mirror or driver's side dashboard.
2. Students may only park in a numbered spot in the front parking lot. No parking in spots designated for staff, visitor, or no parking zones.
3. All cars should be properly parked (between two white lines) and locked while in the student lot. *(The school does not accept responsibility for loss or damage to vehicles while parked on campus).*
4. **Vehicles parked in unauthorized areas or without a permit will be cited by the WCPD and may be towed. Violators may receive a 3-hour Friday School and/or permanent suspension of their parking permit.**
5. The parking lot is off-limits during the school day. If a student needs to go to his/her car during the day, go to the attendance office for a pass.
6. The speed limit is 5 miles per hour on school grounds. Any driving on campus deemed reckless or irresponsible may result in the suspension and/or loss of parking privileges.
7. Students understand there are more permits issued than available parking spaces and there is a chance a spot may not be available.
8. Parking permits are temporary; a new parking lottery will be conducted for spring semester.
9. Parking is a privilege and student parking permits may be revoked because of school discipline matters, excessive absences and/or tardies.
10. Replacement cost of a parking permit is **\$25**. A temporary 1 day permit is **\$5**.

**I understand violation of any of the above regulations will be sufficient cause to revoke permission to park on campus.**
