Parent / Student Account Creation

The Acalanes Union High School District is changing its web portal to access student information known as PASS. Parents and students will continue to have view access to class schedules, attendance, test scores, transcript history, contacts, etc. from PASS. Students will need to create an account in order to see their quarter and semester grades. Students will also use this account to make their course requests through PASS.

Follow the directions below to create a new PASS parent or student account.
